

Want to help Waverly School Students?

The Waverly Education Foundation is funded by memberships of private citizens and businesses. Additional revenues are generated from Waverly Education Foundation sponsored events, such as our annual Golf Outing.

The Waverly Education Foundation disburses these monies received, in the form of grants, to recognized school programs within the Waverly Community Schools.

Your donation will support innovative programs and activities that benefit Waverly students.

2017 Grants Funded with Your Donations

- Winans - MakerSpace - DIY create, invent, learn
- High School - College Access activities
- High School - Fitness Center update
- Elementary - Book Club
